### What is Career Coach and How Will it Benefit Me?

Career Coach is a web-based tool that is used for career based research using labor market data to make career decisions easy. The options in Career Coach are endless – from building a resumé, discovering programs to exploring the local job market.

### How to Access Career Coach:

You may access Career Coach by visiting [www.alvincollege.edu/CareerServices](http://www.alvincollege.edu/CareerServices)

### Create an Account or Login:

- In the upper right-hand corner, click “Sign Up”
- Use your school email address to create the profile
- Complete your registration and click “Create Profile”
- If you already have an account, just click “Login”

### Take a Career Assessment:

Once you have created your profile, click “Take a Career Assessment” in the Welcome! box (on the right of your profile information).

When you are done, review your results and take time to explore the suggested careers and programs!
