Information for Communities and Survivors Recovering from Hurricane Harvey

Need Continued Rental Assistance? Simply Take Two Important Steps

Hurricane Harvey survivors who have received temporary housing assistance from FEMA, yet still have a continuing need for that assistance, and are eligible for it, only need to take two steps at this point to receive additional federal funding:

1) Complete a Declaration of Continuing Need for Rental Assistance:

- Survivors with additional housing needs must complete the Declaration of Continuing Need for Rental Assistance form.
- This is a legal document mailed to the rental assistance recipient 15 days after the rental assistance grant is received.

2) Return the Form to FEMA in the following ways: Mail the completed form to: FEMA, P.O. Box 10055, Hyattsville MD 20782-8055; Fax it to **(800) 827-8112**; or Upload it to your FEMA Disaster Assistance Center account, available online at DisasterAssistance.gov. Click on Check Status to login or create an account.
