

Transfer Pathway Agreement Alvin Community College and University of Cincinnati

Degree:

Bachelor of Science (B.S.) in Respiratory Therapy

GPA Requirements for Program:

2.5 cumulative GPA on a 4.0 scale.

Requirements to Apply:

- Meet all University of Cincinnati [admission requirements](#), including:
 - Letter of intent and resume.
 - Application fee of \$50.
 - Matriculation fee of \$100.
- Meet all University of Cincinnati College of Allied Health Sciences [admission requirements](#).
- Associate of Applied Science (A.A.S.) Degree in Respiratory Care.
- Be credentialed as a Certified Respiratory Therapist (CRT) by the National Board for Respiratory Care (NBRC).
- Be Registered Respiratory Therapist (RRT) eligible.

Hours Required Before Transfer:

- A maximum of 70 semester credit hours from the Alvin Community College Respiratory Care program will be transferred from Alvin Community College and applied toward the 120 semester credit hours required for the Bachelor of Science Degree in Respiratory Therapy.
- If the curriculum is 65 – 69 semester credit hours students will take University of Cincinnati's Respiratory Therapy Targeted Open Online Course, offered tuition free, to help meet the required 120 semester credit hours for the Bachelor of Science Degree in Respiratory Therapy.

Note – Program Entry Status:

- Graduates from ACC who have followed the prescribed program and are accepted into the College of Allied Health Sciences will enter the third year of the Baccalaureate Respiratory Therapy Program. The Student's Associate Degree will transfer in its entirety as block credit.
- ACC students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement, between August 1, 2017 and August 1, 2020.
