# Graduation Honors

## ***Gold Honor Cords***

Gold Honor Cords are worn at graduation by students who have earned a minimum cumulative GPA of 3.50 as of the Fall 2020 term.

## ***Phi Theta Kappa Honor Stoles***

All members of Phi Theta Kappa in good standing wear the gold satin Honors Stole and Tassel at graduation as recognition of outstanding achievement.

## ***White Honor Cords***

Honors Program graduates, guided by their professor-mentors, have earned at least 12 hours of credit through the Honors Program, completing independent study projects in the courses for which they earned honors credit. These projects are done in addition to the regular course material and are presented in a student conference at the end of the semester; furthermore, the students must maintain at least a B average in any course for which they earn honors credit.

## ***Red, White and Blue Honor Cords***

Red, white and blue Honor Cords indicate a student's service in the military.

## ***Green and Blue Honor Cords***

The Lambda Beta Society is the national honor society for respiratory care programs. The green and blue cords are worn by graduates who are in the top 25% of their class and have been nominated by a faculty member for membership into the Lambda Beta Society. The naming of the society is based on the goals of the respiratory care profession: sustaining "Life and Breath" for all mankind.

## ***Black and Gold Medallions***

Graduates wearing black and gold medallions are dual degree recipients that have taken course work through dual credit courses earning an associate degree at the same time as their high school degree.
