OVERVIEW

The College is committed to serving the students and communities of Southeast Texas through collaborative work with school districts in the College’s service area. A major initiative promoting a college-going and college graduation culture is the Alvin Community College Dual Enrollment Programs, which complies with the rules set forth by the State of Texas (TAC Title:19 Chapter 4, Subchapter D, Rule § 4.84) for dual enrollment partnerships between secondary schools and Texas public colleges to offer dual enrollment to qualified students; therefore,

An additional MOU is required by the Texas Education Agency for Early College High Schools, and P-TECH schools.

2) ACADEMIC POLICIES & PROCEDURES

Academic policies and procedures applicable to regular college courses and students will also apply to dual enrollment courses and dual enrollment students. A degree plan with a defined sequence of courses will be available through Individual Academic Advising Sessions for all dual enrollment students.

a) Eligible Courses

- i. The ISD is responsible for determining that the ACC course(s) approved for dual course credit meets the Texas Essential Knowledge and Skills (TEKS) required by the Texas Education Agency (TEA). ACC will assess courses offered for dual enrollment and will approve them through the curriculum approval process as required by the Texas Higher Education Coordinating Board (THECB).
- ii. Dual enrollment college courses will be at the collegiate level and more academically advanced than courses taught at the high school level.
- iii. Each dual enrollment course is equivalent to the corresponding course offered at the ACC main campus including curriculum, materials, instruction, rigor and the methods for student evaluation.

- iv. Dual enrollment college courses must be identified as college level core academic courses in the current edition of the Lower Division Academic Course Guide Manual (ACGM) or as college level workforce courses in the current edition of the Workforce Education Course Manual (WECM).
- v. Courses offered for dual enrollment are in ACC's approved undergraduate course inventory.
- vi. Developmental and remedial courses are not offered for dual enrollment.
- vii. Specific course offerings will be determined collaboratively by ACC and the designated high school. Refer to Appendix A for the approved courses for the respective academic year.

b) Faculty Qualification, Selection, Supervision, and Evaluation

The College has established an approval process for selecting and/or approving qualified School District faculty (those approved will herein be called "Dual Enrollment Faculty") to teach dual enrollment course(s). Each approved Dual Enrollment Faculty will be supervised by the College's respective department chair or designee and be evaluated and monitored to ensure the quality of instruction and compliance with the College's policies and procedures in accordance with the standards established by the State of Texas and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).

- i. The School District may submit Faculty Recommendation forms to the ACC Dean, College Access & Partnerships by May 1st to recommend a teacher who has been identified as a prospective Dual Enrollment faculty member. ISD Faculty Recommendations will be accepted on an individual basis after May 1st.

- x. The Dual Enrollment Faculty or College Faculty assigned to teach a dual enrollment course is charged with the duties and responsibilities as the instructor of record. In cases where the course is a Distance Learning course taught at the partner school the instructor of record, not an assistant, is the one responsible for the delivery of instruction and evaluation of student progress.
