

JSTOR's Arts and Sciences Collections offer full-text access to hundreds of titles in many disciplines of the arts, humanities, sciences, social sciences, business and education.

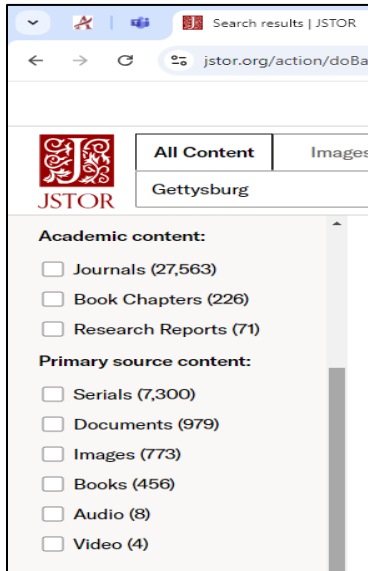

JSTOR can only be accessed from the POD, so whether you are on campus or at home, you must be in the POD to search the resources on JSTOR.

- Start here to search for journal articles and book chapters
- Results are PDF format
- Already have MLA, APA, or Chicago citations
- Also have images and primary sources

Advanced Search helps you narrow your search results.

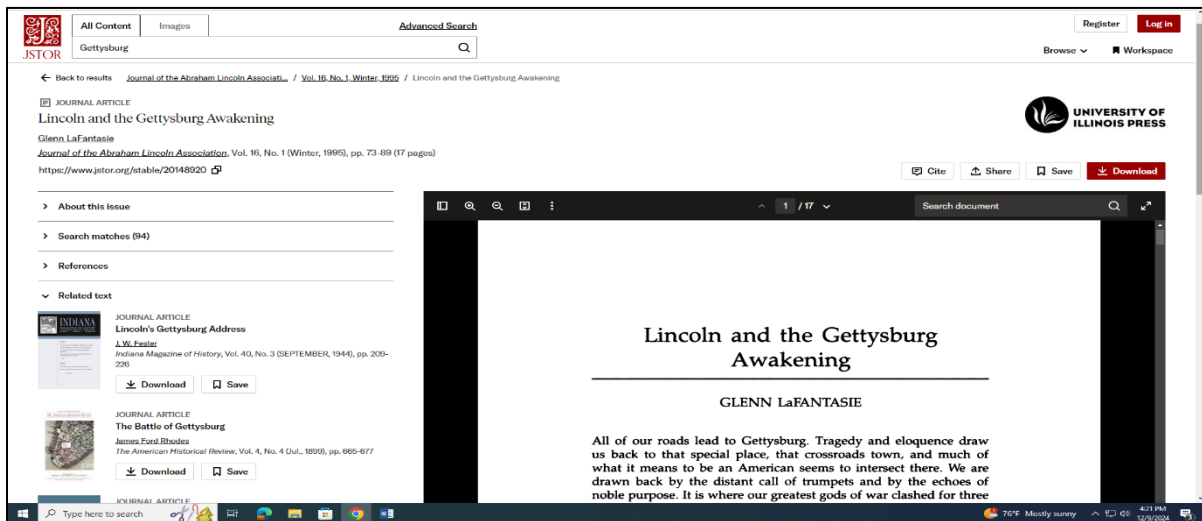

Use the left side of the search results to help you.

Could you get some information from a video?

A “serial” is a newspaper or magazine.

A “document” could be a letter or any other written work.

An “audio” will be a recording of a person – like a speech or an interview.

The journal article will appear in PDF format (just like it looked in the magazine)

You will be able to cite it in MLA, APA, or Chicago format.

You can email it to yourself.

You can save it to your computer for later use or printing.

The database suggests more articles that may help you on the left side of the screen.
