*MATH 1314 is a prereq for an upper-level course and thus is recommended.

**PSYC 2317 can replace either PSYC 4370 or 4371, but students will need to take an additional upper-level PSYC course to complete the required number of program hours.

NOTE: ACC students completing lower-level PSYC courses with names identical to UHCL's upper-level PSYC courses will not receive upper-level credit and will need to take additional upper-level PSYC courses instead.
